

X-treme Services consists of X-treme Heating & Air, and X-treme Electric.

The [electric](#) side of our company can take care of all of your electrical needs from changing an outlet, or installing a ceiling fan, to doing a complete panel upgrade. No job is too big or too small! We can also help you design your landscape lighting, or decorative lighting in your home. Our experts have a distinctive eye when it comes to making your surroundings look beautiful with lighting effects.

The [Heating & Air side of our business](#) can take care of all of your environmental needs. From your indoor air quality, to your indoor air comfort. We can make sure the air you and your family breathe is clean, and warm in the winter, and cool in the summer. We can repair your existing heating and air system if needed, or we can install a new one for you. Any model, any brand. Ask us about the new high efficiency units that can earn you a tax credit.

We can install and maintain humidifiers, and whole house filters to maintain your IAQ (indoor air quality).

We can also help keep your indoor environment **GERM FREE!** That's right!

With the new **INDUCT 2000 "AIR SCRUBBER"**. It has been proven to destroy up to 99.9% of all SURFACE BACTERIA, VIRUSES & GERMS it has been tested on.

A University of Cincinnati study also states that the activTek Air Scrubber can REDUCE APPROXIMATELY 90% OF AIRBORNE MICRO ORGANISMS.

80% of germs, bacteria and viruses are transmitted by touching surfaces.

24-HOUR A DAY TREATMENT TECHNOLOGY

ActivePure sends out purifying agents to *destroy* allergy causing mold, dangerous bacteria, viruses, chemicals, contaminants, and pollutants in the air 24 hours a day! Kills germs on surfaces like doorknobs, toilets, kitchen counters, and in pet areas.

ActivePure can tackle odors like smoke, pets, and food.

Has been proven to kill up to 99.9% of :MRSA, AVIAN BIRD FLU, E. COLI, BACILLUS SPP, BACILLUS ANTRACIS, BACILLUS CERUS, STREPTOCOCCUS SPP (group A), PSEUDOMONAS SPP, L. MONOCYTOGENES, C. (candida) ALBICANS, STACHBOTRYS CHARTARUM.

Now if you like most people, you don't know what half of those microbes are, but a germ, is a germ, is a germ! And a dead germ cannot make anyone sick! You have all heard of MRSA, and Strep (throat) and the Avian Bird flu! The flu is the flu. The only good flu is a DEAD FLU!
